**Wine List**

Welcome to Bar Soul, a neighbourhood wine bar and all-day bistro by the SOUL Group.

Owners Illa and Daero met head chef Sunny at a social gathering for Korean chefs at their home and on that day, Sunny brought a bottle of Cru Beaujolais. Since then, they've been working on a wine bar, always discussing what wine pairs the best with Korean flavours.

You'll find many international favourites and Australian classics in our wine list but also natty pours from boundary pushers all over the world. The fermentation techniques used in Korean cuisine - and in our food - offer the perfect match for those unusual wines and we tempt you to be adventurous and get rewarded with a little surprise.

May, our resident obscure wine fanatic, found some really interesting drops in her search for the best pairing with a cuisine we love so much.

We love talking about our food and wine, so don't hesitate to talk to us if you have any questions about the menu and the wine list.
